Product Description

Ferris 5902144 42 **300S Zero Turn Mower 23HP Briggs**

The Ferris (5902144) 300S is a residential zero-turn mower with a 42 inch fabricated cutting deck and a 23 horsepower Briggs and Stratton PXi series engine. The 300S is built for easy maneuverability with its compact design and features commercial-grade Hydro-Gear EZT transmissions.

2024 Ferris 300S Zero Turn Mower 5902144 Now in a compact footprint, the 300S delivers a premium, commercially

inspired platform combined with a more attractive price point, never before seen through Ferris. As expected with Ferris mowers, the 300S features our patented suspension technology, serving up speed, a quality cut, comfort, and durability. The 300S is available in three deck sizes.

Features may include:

Compact Maneuverability

- The combination of a smaller frame and deck size options allows for easy maneuverability in tight spaces or around intricate landscaping.

Premium Features within Reach

- You don't have to settle for less. This entry-level mower is loaded with commercially-inspired components, including the suspension we are known for, delivering a smooth ride and quality cut, at faster speeds.

Commercial-Grade Power

- Powered by a Briggs & Stratton® PXi Series™ V-twin engine, experience smooth power in the roughest and thickest of turf conditions.

Fabricated Mowing Deck

- Durable, steel-fabricated mowing decks provide reliable cutting performance and include anti-scalp wheels.

Hydro-Gear® Transaxles

- Dual transaxles with 7 cooling fans repel debris and provide consistent power. 42 & 48 decks: Hydro-Gear® EZT®, 52" deck: Hydro-Gear® ZT-2800®
