Product Description

300S Zero Turn Mower

Commercially-Inspired, Entry-Level

Now in a compact footprint, the 300S delivers a premium, commercially-inspired platform combined with a more attractive price point, never before seen through Ferris. As expected with Ferris mowers, the 300S features our patented suspension technology, serving up speed, a quality cut, comfort, and durability. The 300S is available in three deck sizes.

Compact Maneuverability

The combination of a smaller frame and deck size options allows for easy maneuverability in tight spaces or around intricate landscaping.

Premium Features within Reach

You don't have to settle for less. This entry-level mower is loaded with commercially-inspired components, including the suspension we are known for, delivering a smooth ride and quality cut, at faster speeds.

Commercial-Grade Power

Powered by a Briggs & Stratton® PXi Series™ V-twin engine, experience smooth power in the roughest and thickest of turf conditions.

Fabricated Mowing Deck

Durable, steel-fabricated mowing decks provide reliable cutting performance and include anti-scalp wheels.

Hydro-Gear® Transaxles

Dual transaxles with 7 **cooling fans repel debris and provide consistent power. 42 & 48 decks: Hydro-Gear® EZT®, 52 deck: Hydro-Gear® ZT-2800®**

Ground Speeds up to 8 MPH

The suspension and high-powered components deliver a high-speed mowing experience without sacrificing cut quality. 0% for 48 Months financing carries with it an 8.5% participation fee charged by the finance company. ASK ABOUT OUR CASH DISCOUNTS!!
