Product Description

2024 Ferris SRS™ Z1 Soft Ride Stand-On Mowers 5901939*RIDE CONFIDENTLY INTO NARROW SPACES WITH ADVANCED COMFORT AND STABILITY*The SRS™ Z1 offers all of the same great productivity and comfort as the larger SRS Z2, but in a more compact package. With smaller mowing deck options, the Z1 is optimal for navigating through tight gates or loading on smaller trailers. True to the Soft Ride Stand-on (SRS) series, the adjustable operator platform on the Z1 features suspension technology, improving operator comfort and performance. *Features may include:* *Ride-On Mower Warranties*• Coil-Over-Shocks and all suspension-related components are covered for 5 years (60 months), for unlimited hours. We are committed to providing performance, productivity and durability. *Speed Control Setting*• The easy locking 3-position speed control setting is conveniently located and requires no tools to facilitate smooth operation in a wide range of conditions. *Suspension Platform System*• The suspension platform system is adjustable for a large range of weights and operating conditions, optimizing operator comfort and increasing productivity. *Standing Comfort*• Ergonomically designed thigh pad provides superior operator comfort and stability, especially on hilly terrain. *Adjustable Height of Cut*• Height of cut is easily changed from the operator compartment for no hassle curb climbing and trailer loading. The hand-operated deck lift can change cut height in 1/4" increments from 1.75"- 4.5". *Integrated Mowing Transmissions*• Commercial Hydro-Gear® ZT-3400® transaxles with 7" cooling fans are designed for high performance and are fully serviceable. *iCD™ Cutting System*• Innovative iCD™ Cutting System was engineered to produce the best possible cut in a multitude of conditions. *Generous Fuel Capacity*• A 6-gallon fuel tank is centrally located for consistent balance, and the fuel filler neck is conveniently located on the side for easy filling.
