

RUGGED COMPONENTS Operator components, like the pedals and steering, are built to withstand repeated use and all the dirt and grime the day can dish out.

GROUND-LEVEL FUEL FILL Ground-level fueling makes it easier to fill up and go. No more lifting five-gallon cans over your head.

FLAT PLATFORM Flat operator's platform gives you legroom and makes all operations simpler.

Productivity

20.4 HP REAR PTO The rear PTO delivers up to 20.4 HP to power your rear implements.

TWO TIRE OPTIONS Choose from ag or industrial tires to fit your needs.

2025 Massey Ferguson 1840E Hydro - 39.4HP

Efficiency Product Description

CHOICE OF TRANSMISSION You can choose between two transmission options, an 8 x 8 synchro shuttle or hydrostatic. The 8 x 8 synchro shuttle is better suited for heavy ground-engaging work, while the hydrostatic transmission is better for back-and-forth loader work.

3 WAYS TO BUY

Option Management Equipment's Exclusive **POWER UP REBATE** with 10 Year Financing!, **Option 2** - 0% for 60 / 1.29% for 72 / 2.59% FOR 84 Months! or **Option 3** - Free Loader with Cash or Standard Rate!

POWER WHERE YOU NEED IT The MF 1800 E is designed to put power in the tightest areas around your operation. It's perfect for maneuvering in and around small buildings on busy yards where you need a little extra muscle.

MASTER YOUR TASKS Whether you're laying out the fence line, shaping the driveway or sealing trails, the MF 1800 E has the power to get the job done.

Features may include:

DEPENDABLE AND PRACTICAL Our MF 1800 E Series tractors are practical and hard-working, just like you. They're get-it-done overachievers that can go toe-to-toe with any other brand in the compact class.

RUGGED AND STURDY The MF 1800 E Series has gained a reputation for tackling jobs that would overwhelm lesser-built compacts. They're built with a rugged cast rear-end, a solid cast front axle and a robust rear three-point hitch.

PERFORMANCE WHERE IT COUNTS These tractors use the same dependable, fuel-efficient Iseki engines that you'll find in our premium compacts and a broad range of ag and construction equipment working in some of the harshest conditions on earth.

CAPABILITY Whether you've got a small farm or a busy job site, the MF 1800 E is equipped with all the basics you need. And then some.

COMFORT The E stands for economy, efficiency and just plain easy. This is where the simplicity of this machine really works in your favor.

A HERITAGE OF HARD WORK It pays to give Massey Ferguson compacts a closer look. We've been designing and building tractors since 1916, longer than any other brand in North America.

PerformanceTHREE-CYLINDER 1.5L ISEKI® ENGINE

The MF 1800 E tractor is powered by a 1.5L, 3-cylinder, liquid-cooled Iseki diesel engine. It delivers 24 HP with a rated engine speed of up to 2,600 RPM.

POWER LIFT A three-point lift capacity of 2,205 lbs. gives you the ability to move heavy loads with confidence.

ALL-STEEL HOOD All-steel hood construction gives your MF 1800 E additional durability and longer service life.

Comfort

EASY-TO-REACH CONTROLS The operator station puts all controls within easy reach, so long work days don't take a toll.
