

RUGGED COMPONENTS

- Operator components, like the pedals and steering, are built to withstand repeated use and all the dirt and grime the day can dish out.

GROUND-LEVEL FUEL FILL

- Ground-level fueling makes it easier to fill up and go. No more lifting five-gallon cans over your head.

FLAT PLATFORM

- A flat operator's platform gives you legroom and makes all operations simpler.

20.4 HP REAR PTO

Product Description The rear PTO delivers up to 20.4 HP to power your rear implements.

POWER WHERE YOU NEED IT

DEPENDABLE. VERSATILE. PRACTICAL. JUST LIKE YOU.

• The MF 1800 E is designed to put power in the tightest areas around your operation. It's perfect for maneuvering in and around small buildings or busy yards, wherever you need a little extra power. It's your land, your little plot of heaven. You worked hard for it, and you fully expect to work hard on it. Now, all you need is the right tractor. The Massey Ferguson® 1800 E compact tractor fits the bill. Economical and versatile, it's the perfect partner for virtually any chore or project.

Key Benefits

Dependable and Practical Our MF 1800 E Series tractors are practical and hard-working, just like you. They're get-it-done overachievers that can go toe-to-toe with any other brand in the compact class.

Rugged and Sturdy The MF 1800 E Series has gained a reputation for tackling jobs that would overwhelm lesser-built compacts. They're built with a rugged cast rear-end, a solid cast front axle and a robust rear three-point hitch.

Performance where it counts These tractors use the same dependable, fuel-efficient Iseki engines that you'll find in our premium compacts and a broad range of ag and construction equipment working in some of the harshest conditions on earth.

Features may include:

THREE-CYLINDER 1.5L ISEKI® ENGINE

- The MF 1800 E tractor is powered by a 1.5L, 3-cylinder, liquid-cooled Iseki diesel engine. It delivers 24 HP with a rated engine speed of up to 2,600 RPM.

POWER LIFT

- A three-point lift capacity of 2,205 lbs. gives you the ability to move heavy loads with confidence.

ALL-STEEL HOOD

- All-steel hood construction gives your MF 1800 E additional durability and longer service life.

EASY-TO-REACH CONTROLS

- The operator station puts all controls within easy reach, so long work days don't take a toll.
