

PTO SELECTOR SWITCH

- Allows you to select the rear-PTO, mid-PTO, or both.

STANDARD HYDROSTATIC POWER STEERING

- Ditch the mechanical shift—introducing hydrostatic power steering for ultimate flexibility, parts costs, and assemble-ability. This feature makes turning easier, improves control and reduces fatigue.

STANDARD FOLDABLE ROPS

- Introducing foldable ROPS for storage allowance in low clearance buildings or sheds.

YOUR CHOICE OF TIRES AT NO ADDITIONAL COST

Product Description

Your choice of Versa Turf or industrial tires at no additional cost. Subject to dealer inventory.
