

Comfort

BEST SEAT IN THE HOUSEA clean, comfortable operator station features a well-positioned, suspended vinyl seat for maximum visibility to front and rear implements.

EASY FUEL FILL Convenient ground-level fuel fill with more fuel capacity (14 gallons) than competitive models. Work longer between fill-ups, and never worry about those cumbersome top-fill fuel tanks.

BETTER STABILITY Compare the tractor weight of the MF 2800 E Series with that of the competition; these tractors have an excellent power-to-weight ratio.

Ease of Use

SERVICE POINTS IN EASY REACH Easy-access service points make preventative maintenance, like checking filters and fluid levels, simple.

EASY IMPLEMENT CHANGES Telescopic lower links make attaching implements a breeze.

Product Description

3 WAYS TO BUY

Option 1 - Haney Equipment's Exclusive **POWER UP REBATE** with 10 Year Financing!, **Option 2** - 0% for 60 / 1.29% for 72 / 2.59% FOR 84 Months! or **Option 3** - Free Loader with Cash or Standard Rate!

Massey Ferguson 2800 E Series 2860**MF 2800 E Series Utility Tractors**The versatile Massey Ferguson® 2800 E Series combines the practicality of a compact tractor with the bigger functionality of a utility tractor. It's crafted for a new generation of rural lifestyle customers. Hobby farmers. Farm-to-table. Small businesses. Or just people with a lot of property and a lot of jobs to wrangle. Like them, these are hard-working, no-nonsense, roll-up-your-sleeves tractors.

Features may include:

VERSATILE ENOUGH TO HANDLE ALL YOUR JOBSThis tractor can handle jobs ranging from rotary cutting to loader work and beyond. Choose from two transmission options, along with several loader and tire options, to fine-tune your machine for the work you do the most.

A STRAIGHTFORWARD INVESTMENTThe simple, no-nonsense design of the MF 2800 E Series gives you the performance you need for a hobby farm, small business, or large property, and it gives it to you in an affordable, practical package.

GREAT COMFORT FOR THOSE LONG DAYSWhether you're working hard or playing hard, your tractor should be comfortable. The MF 2800 E Series gives you a clear view of the area around you so you can get right down to business.

DEPEND ON ITThese tractors are designed to work and keep working, from the first job in the morning until you turn it off after a day of rough use. These rugged machines can take it.

EASE OF USEWork is hard enough. We've tried to make these tractors as easy to use and maintain as possible. That means easy access to service points and simple, straightforward implement attachments.

PerformanceCHOOSE YOUR TRANSMISSION

Choose from an 8 x 8 synchro shuttle mechanical transmission to help maximize productivity or our 3-range hydrostatic transmission (HST).

BETTER LIFT CAPACITYCompare our powerful 2,425-pound lift capacity with competitive models. You'll have more 3-point lift capacity and the power to get more done.

VERSATILE 3 POINT HITCHConnects to both Category I and II implements quickly and easily by simply swiveling the ball-ends to match the category implement you're using.
