Massey Ferguson 2600H Series 2605H**For hardworking people who simply want a hardworking tractor.**A line of utility tractors that are as tough and dependable as our classic Massey Ferguson models.

The Massey Ferguson 2600H Series is a rugged line of tough and dependable utility tractors that brings back the heritage and affordability of classic Massey Ferguson models. Yet these tractors still feature everything you expect in a Massey Ferguson, starting with a simple, open design.

Features may include:

Versatility

- Whether you're a full or part-time farmer, landscaper, contractor or just someone who needs to get things done, a 2600H Series tractor is your ideal partner.

Hydraulics

- The high capacity hydraulics make loader and implement work simple.

2WD and 4WD front axle options

- Offered in both 2- and 4-wheel drive, you have the cost flexibility, as well as versatility in applications to get the job done. The 2605H is available 2WD only.

Transmission

- The 2600H Series offers 8F x 2R live PTO and 8 x 8 independent PTO shuttle transmissions, depending on model.

Loader

- Attaching and changing the bucket is easy on the 2600H Series tractors, so you can move from one job to another without any hassle.

Ease of Use

- We know you work hard. The design of the Massey Ferguson 2600H Series makes everything easier on you.

Serviceability

- A simple release hood latch makes preventative maintenance, like checking filters and fluid levels, easy.

No DPF

- Our maintenance-free Tier 4-compliant emissions system has no diesel particulate filter (DPF) to worry about
