EASY-REACH CONTROLS

Easy-Reach Controls on MF 4707 **THE LAST THING YOU NEED IS A FEEBLE TRACTOR.**

4700 Global Series Utility Tractors The 4700 Series is built for easy operation and comfort. It's also built to be easy to use and comfortable to operate. From the ground up, these tractors are engineered for smart, ergonomic, long-lasting operation. **FENDER-MOUNTED 3-POINT CONTROL** Because even though the work is tough, your tractor should never be hard on you.

Key Benefits

- Hitch, raise or lower controls on deluxe models are incorporated into the rear fender, making hook-up and disconnection of 3-point implements quick and easy.

A tractor you can rely on These tractors are the result of more than 65,000 hours of rigorous endurance testing in extreme weather and terrain conditions around the world. You can depend on them to get you through just about anything.

A durable, better-working tractor It's simple. When all the key components of a tractor are built together, they work better together.

Stability for bigger jobs The 4700 Series is heavier than other tractors in its class, uniquely designed to handle larger, heavier implements and more demanding applications. It'll be there when you need it.

Ease of use The 4700 Series is easy to use and comfortable to operate. From the ground up, these tractors are engineered for smart, ergonomic, long-lasting operation. Even though the work is tough, your tractor should never be hard on you.

Maneuverability for tight spaces Sometimes you need to work in confined spaces. The MF 4700 Series features a tight turning radius for easier maneuvering with better stability.

Low cost of ownership The MF 4700 Series is built to be fuel-efficient and straightforward to use. It adds up to a tractor that won't hold you back or create additional costs.

Features may include:

3-CYLINDER 3.3L AGCO POWER™ ENGINE

- At the heart of it all is a rugged, reliable, fuel-efficient Tier 4 Final engine. These engines range from 70-100 horsepower and are specifically configured for North America.
