

A PTO FOR ANY JOB

- A standard 540/540E/1000 allows you to use a variety of implements, no matter what the application may be. Plus, you save fuel when operating in 540E.

BETTER MANEUVERABILITY FOR TIGHT SPACES

- Sometimes you need to work in confined spaces. These tractors feature a tighter turning radius for easier maneuverability with better stability.

SKU:PRIMP344

A 3-POINT HITCH THAT COMES THROUGH IN A PINCH

- There's virtually no limit to the range of implements you can put behind these tractors. Two gear pumps power the simple, open-center hydraulic system, and a heavy-duty 3-point hitch helps provide a rear lifting capacity of nearly 7,710 lbs.

SETTLE IN FOR A HARD DAY'S WORK

Product Description

The MF 5700 Series features a stylish, roomy cab with mounted grab rails for easy entry and a flat floor design. Ergonomically placed controls and a deluxe swiveling air ride seat make this our most comfortable cab yet.

RESPONSIVE LOADER CONTROLS

2022 Massey Ferguson MF 5700 Series MF 5711 D TESTED IN THE WORLD'S TOUGHEST ENVIRONMENTS FOR THE BEST PERFORMANCE ON YOUR FARM.

- Raise, lower, curl, dump or float the bucket with incredible precision, even in tight spots and tough applications.

MF 5700 Global Series Mid-Range Tractors

You'll appreciate the added integrated maneuverability. The Massey Ferguson® 5700 Series has been tested in farming applications around the world to meet a wide set of demands. These tractors are uniquely designed for more power to pull heavier implements while still being nimble enough to maneuver almost anywhere. You get the versatility and ease of use you need to feel right at home during a long day's work.

Key Benefits

A tractor you can rely on These tractors are the result of more than 65,000 hours of rigorous endurance testing in extreme weather and terrain conditions around the world. You can depend on them to get you through just about anything.

Versatility The MF 5700 Series is heavier than other tractors in its class, and designed to handle larger, heavier implements and more demanding applications. There isn't much they can't do.

Ease of use The MF 5700 Series is engineered for smart, ergonomic, long-lasting operation. With features that make it so easy to use, you'll get more done than ever before.

Durability When tractor components are built together, they work better, giving you the right level of performance and durability you need to handle any job. Day after day.

Low cost of ownership The MF 5700 Series is built to be fuel-efficient and straightforward to use. It all adds up to a tractor that won't hold you back or create additional costs.

Features may include:

AGCO POWER 4-CYLINDER 4.4 L ENGINE

- The Tier 4 Final engine provides unmatched power, with advanced technology that meets emissions requirements, saves time and makes for easy maintenance. With no need for a DPF, power is available whenever you need it without compromising fuel efficiency.

A TRANSMISSION DESIGNED FOR EASE OF USE

- Our 12 x 12 Synchro Power Shuttle allows directional changes to be made with no clutch for simple, straightforward operation.

CREEPER GEAR FOR ULTIMATE CONTROL

- When your job calls for lower speeds, a Super Creeper option allows you to run at speeds as low as .08 MPH.
