Product Description

2023 IronCraft 3600 Series 3605*Dual Edge Graders*IronCraft's 3600 dual-edge graders can be used to maintain gravel driveways, level a garden plot, and smooth dirt areas including horse arenas and barn floors. The 3600 dual-edge graders feature replaceable skid shoes, reversible blades, adjustable blade height, and adjustable shanks. Designed to work with 25 to 55 hp tractors, the 3600 dual-edge graders accommodate a Category I quick hitch and are available in two working widths from 60" to 72".
