Terrain Performance Leader*

From the distinctive design and the refined cockpit, the RZR XP 1000 side-by-side delivers performance you can see and feel.

Features may include:

- PROVEN PERFORMANCE

Put yourself firmly in control, even in the most unpredictable terrain, with the performance of 110 HP, 20" of usable travel, 64" stance, and the definitive grip of 29" tires.

- Power That's Pure

The heart and soul of the RZR XP 1000 is the right kind of power—the kind that comes on the instant you need it and stays smooth and strong. The ProStar 1000 pumps out a heavy 110 HP with a robust low-end for corner-to-corner power that comes on instantly and never wavers.

- Superior Suspension

With 20" of usable travel and race proven Walker Evans Needle Shocks, rocks, stumps, sand, and mud are no match for the capable suspension that keep the ride comfortable all day long.

- Legendary Agility

Backed by a championship trophy case of proof, the RZR XP 1000 is the ultimate combination of chassis, suspension, steering geometry, power and all-wheel drive capabilities.

- DESIGNED FOR ANY TERRAIN

The chiseled and muscular stance of the RZR XP 1000 is built to conquer rough trails and perform every bit as good as it looks.

- Legend Status

Engineered to deliver an optimally balanced chassis with the perfect combination of power, suspension and agility.

- Bold and Assertive Styling

The sharp-edged cut and style of the RZR XP 1000 instantly lets others know you are serious about your off road passion. This muscular edge is infused with advanced technology.

- Intuitive and Advanced Interior
