2024 Vexus AVX1880

COMFORT AND CONVENIENCE

ABOUT THIS MODEL Custom-contoured lines, precision-tuned performance, and a world of advanced features... On and off the water, the AVX1880 is engineered to set a higher standard. Measuring 18' 10" in length with a broad 95" beam, this sleek, hand-built machine is highlighted by an exceptionally smooth ride, responsive handling, and great price. As with each of our all-welded AVX designs, the 1880 is loaded with space and standard features. Up front, a Minn Kota Ultrex 80 covers the bow while a recessed trolling motor/bow station includes cup and tool holders, remote switches, and room for larger electronics.

- Custom-contoured High Performance Bucket Seats with (2) Fold-down Fishing Seats
- Wide Open Spacious Interior
- Oversized Fiberglass Storage Boxes with Raised Lip Dam and Weather Trim Seal
- Greater Deck, Leg, and Console Room

Centering the huge front deck, an 8' rod box is equipped with dual air shocks, an extra wide opening, individual rod tubes, and a lockable compression latch. Additional rod-ready storage is positioned near the passenger seating. The wide-open forward platform is also bordered by large, lockable boxes and we've integrated a step to the front with room for smaller items.

- Painted Underside of Lids

Features may include:

- Passenger Rod Rack with Rod Strap
