Product Description

Price with Mercury 150ProXS is \$38,999!!!2024 War Eagle Blackhawk 2170The 2170 Blackhawk offers a new stylish design with swept rake and comes standard with a 25" transom; which allows for more freeboard. This boat, along with the wings transom, has a reverse chine giving it exceptional cornering ability. Built on a 22° V hull, it offers a smooth ride and is built for crossing large choppy waters comfortably. The 2170 Blackhawk is available with either a center or side console, with varying standard equipment. This boat allows for larger water inland opportunities, so go ahead and reel in the big one.

Features may include:

- Standard equipment on the center console 2170 Blackhawk model includes a full skin out with carpet, vinyl or spray liner, 37 gallon fuel tank, 9" windshield, running lights with rocker switches, console hand rail, bilge pump, center console with bait well, cushion with backrest and 6 rod tubes, bracket with wiring for 24V trolling motor, leaning post with 4 rod tubes, 2 passenger seats with storage, 2 seats with spiders, 2 pole extensions, bow storage, metal gas tank cover, 4 cleats, upgraded paint option, 3 base plates in the front low deck, 1 base plate in the high rear deck, wings transom, V-bow and a V-hull.
- Standard equipment on the side console 2170 Blackhawk model includes a full skin out with carpet, vinyl or spray liner, 37 gallon fuel tank, 9" windshield, running lights with rocker switches, bilge pump, side console with live well, bracket for 24V trolling motor, storage box with driver and passenger seats, 2 seats with spiders, 2 pole extensions, bow storage, metal gas tank cover, 4 cleats, upgraded paint option, 3 base plates in front low deck, 1 base plate in high rear deck, wings transom, V-bow and V-hull.
