Product Description

2023 Nitro Z21 XL This is what you've been waiting for. A bass rig with a REAL, demonstrable upgrade in speed, capability and style. The all-new Z21 XL fiberglass bass boat is proven to deliver a quicker hole shot and greater top speed with a full tournament load—and that's just the beginning. Pro-designed storage includes a pair of front day boxes for instant access to your favorite baits while new rod box configurations carry more rods and include automatic LED lights so you're never in the dark. The console is able to carry twin 12" graphs while the Z-Touch system delivers effortless control over every critical function on board. By any measure, the Z21 XL is destined to unleash the champion in you. *Features may include:
