Product Description

2020 Excel Boats Stalker 1860, 90HP Yamaha JetThere is no such thing as the perfect boat for every outdoor situation; but the Stalker™ comes pretty darn close. The Stalker™ is geared and ready for all season fishing and hunting. The Viper™ hull handles choppy waters of the gulf coast and large reservoirs yet can access shallow coves after crappie or your favorite duck marsh. Large front and rear casting decks provide ample elbow-room and comfort on all day excursions as well as piles of hunting gear. Options such as a low front deck, floor gate drain, seatbox livewell, leaning post backrest with rod holders and interior LED lighting allows you to customize the Stalker to your dreams. *Features may include:*
