Product Description

BW15.51 Batwing Ideal for cutting tall grasses and saplings up to 3 inches in diameter Woods Exclusive SmartLift™ System does the heavy lifting for you by holding the weight of the driveline on your BW15 as you connect and disconnect to the tractor. Rounded wings easily maneuver around obstacles and slice through tall brush while the curved leading edge shrugs off impact New gearbox seal technology reduces leaks and downtime A steel tube around the perimeter absorbs shock and creates a stronger, longer-lasting machine Woods Exclusive EZ-Change™ Blade System allows you to change blades in five easy steps with only a 3/4" wrench. Strategically placed, welded baffles cut and distribute debris evenly NOTE: All gearbox horsepower ratings listed in the following specifications are based on Woods' field testing.
